

# SHIVRAJ PANDURANG CHAUDAR

B.E. - Computer Science & Engineering

Ph: +91-7796863040

Email: shivrajchaudar.sits.comp@gmail.com

Pune, Maharashtra, India - 413130

LinkedIn: <https://www.linkedin.com/in/shivrajchaudar>

## BRIEF SUMMARY

Full Stack Developer with a passion for creating responsive web applications and cloud solutions. Currently pursuing Computer Engineering while building projects that combine elegant design with efficient functionality. Focused on JavaScript ecosystems, cloud technologies, and creating seamless user experiences.

## KEY EXPERTISE

Database Management (MongoDB, MySQL) User Authentication (Google OAuth, JWT)  
Responsive UI Design (Tailwind CSS, Bootstrap) Version Control (Git, GitHub) Cloud Deployment (MongoDB Atlas, Render)  
API Development & Integration

## EDUCATION

<b>Sinhgad Institute of Technology &amp; Science</b> B.E. - Computer Science & Engineering   CGPA: 8.06 / 10	2022 - 2026
<b>Ajitdada English Medium School, Baramati</b> 12 <sup>th</sup>   MSBSHSE   Percentage: 82.33 / 100	2022
<b>Shri Harneshwar secondary &amp; Higher Secondary School Kalas, Indapur</b> 10 <sup>th</sup>   MSBSHSE   Percentage: 93 / 100	2020

## INTERNSHIPS

<b>Webstack Academy - WSA</b>   E-Learning / Edtech Web Developer	02 Jul, 2024 - 16 Sep, 2024
<b>Key Skills:</b> CSS MongoDB ReactJS Javascript	
Completed a Full Stack Web Development Internship at WSA (WebStack Academy) from July 2, 2024, to September 16, 2024. Gained hands-on experience in MERN stack (MongoDB, Express.js, ReactJS, Node.js), building responsive web apps, RESTful APIs, authentication, and database management	

## PROJECTS

### HR Management Dashboard

**Key Skills:** Node.js Express.js MongoDB Handlebars CSS RESTful APIs

**Project Link:** <https://nodejs-hr-dashboard.onrender.com>

Developed an HR Management Dashboard with features for admin login, employee management (CRUD operations, promotions, department-wise Employee Count), and search functionality. Implemented MongoDB for database management and used Node.js with Express.js for the backend. Designed a responsive UI with Handlebars and ensured secure authentication.

### Medical Distributor Website

**Key Skills:** MongoDB Express.js Node.js Tailwind CSS RESTful APIs Authentication HTML Javascript

**Project Link:** <https://rajchaudar.github.io/Meds>

Developed a Medical Supply & Distributor Website with features for user authentication (including Login With Google), manages marketed products, and order processing. Users can browse, order medical supplies, and view store inventory. Integrated a responsive UI using Tailwind CSS and built a RESTful API for seamless backend operations. Ensured secure authentication and efficient order management for a smooth user experience.  
Find source code at <https://github.com/rajchaudar/Meds>

### PortFolio Website

**Mentor:** Self-driven project | **Team Size:** 1

**Key Skills:** HTML CSS Javascript Tailwind EmailJS Font Awesome Nginx EC2 S3 DNS

**Project Link:** <https://shivrajchaudar.me>

Developed a modern, responsive personal portfolio website to showcase my projects, skills, and experience. Key features include dark/light mode toggle, interactive project cards, contact form via EmailJS, and a “MyCircle” page for professional connections. Built using HTML5, CSS3, JavaScript (ES6+), and Tailwind CSS. Hosted on NGINX with SSL, optimized for performance, accessibility, and SEO. This project highlights my frontend skills and attention to design and usability.

## ASSESSMENTS / CERTIFICATIONS

### Elite Certification in Demystifying Networking

Aggregate: 61 / 100

Key Skills:

- Computer Networking Fundamentals
- Network Protocols & Architecture
- TCP/IP & OSI Model
- Routing & Switching
- Network Security & Applications

### Microsoft Certified: Azure Fundamentals (AZ-900)

Aggregate: 942 / 1000

Key Skills:

- Cloud Concepts
- Azure Management Tools
- Azure Services
